Welcome to the SafeDAO Biweekly Roundup #1 of November 2023!

### \$ **Safe Grants Program:**

- Projects accepted into SGP Wave 1 are already hitting their first milestones! Check out SGP Wave 1 Milestone 1 announcements and highlights [here](#).

### **SafeDAO Governance:**

#### • **Proposals**

- The SafeDAO Governance Framework [SEP #7](#) entered into effect on Monday, October 30th!
- [SEP #8](#), the OBRA framework, reached the signaling threshold according to the [governance framework](#) to move to a voting stage. Be sure to vote now!
- The [SAFE Token Utility Proposal](#) is still in the SEP 0 stage. Contribute to the forum discussion with your ideas!

#### • **Updates**

- The SafeDAO forum structure has been adapted to represent the three different phases from proposal to voting:
  - [Phase 0: Discussion](#)
  - [Phase 1: Draft](#)
  - [Phase 2: Voting](#)
- Learn all about Seasons and Sprints and the new proposal submission process at [Governance Overview](#) located in the [SafeDAO Governance Hub](#).
- Review the updated proposal [template](#) which is optional for proposals in SEP 0 stage and **mandatory** for proposals in SEP 1 stage.

### Safe Ecosystem Updates

- Safe usage metrics are hitting all-time highs! Check out [Messari's Q3 2023 report](#) on Safe.
- Effective November 30th, 2023, Safe's API will shift its token pricing to a new, community-managed service, leading to the API returning zero values for USD token prices. Users requiring immediate price data are advised to utilize alternative services like Coingecko. The pricing logic is shifting to a new community-maintained service currently in development. Check it out [here](#).
- Multisight is surveying how to responsibly incentivize multisig signer rewards. Take the survey [here](#). Your response is greatly appreciated.
- You can now set up a Safe Smart Account with your Google account! Learn about it [here](#).
- Check out open roles at Safe [here](#).

### Safe Events:

- Set a reminder for the upcoming [X Space](#) with Safe and Messari where key metrics and data points from the State of Safe Q3 2023 report will be discussed.
- Catch up on the discussion of the OBRA framework with this [recording](#).
- Missed DappCon Berlin 2023? Catch up on the talks and workshops from the Safe team [here](#).
- Don't forget to subscribe to the [Safe Public Events Calendar](#)!

 **Reminder:** Be sure to vote on [SEP #8](#), now live on Snapshot after multiple rounds of feedback and edits. The ratification of the SafeDAO Resource Allocation is one of the key milestones before voting on the transferability of the SAFE token as outlined in [SEP #3](#). Make sure your voice is heard! The voting period ends Monday, 27th November 2023 between 11 pm and 11:59 pm UTC.
