Hello SafeDAO Community!

October at SafeDAO was full of interesting events and updates. For those who missed out on recent Community and Governance Calls or just need a quick refresher, here's your monthly digest for October!

### 1. **Safe Grants Program (Wave 1) Update:**

- SGP Wave 1 Grantees have been announced! Check out the 21 teams accepted into Wave 1 of the Safe Grants Program and what they're working on in this [blog](#).
- From building out critical public goods tooling, exciting growth-focused use cases to further decentralizing Safe, and cross-chain Smart Accounts, the grantee projects will receive a total of EUR 500,000. Congrats to all the grantees!
- SGP Wave 2 will commence in Q1 2024.
- Share your feedback on SGP Wave 1 and recommendations for Wave 2 [here!](#)

### 2. **Safe Community Update:**

- WalletConnect now has native support within Safe {Wallet}! Connect to all your favourite dApps seamlessly!
- Events:
  - Safe will be at DevConnect Istanbul from November 13-19 
  - Hack on Safe at EthGlobal Istanbul for a chance to win a prize in the \$10k bounty pool. Learn more [here](#).
  - Don't forget to subscribe to the [Safe Public Events Calendar!](#)

### 3. **SafeDAO Update:**

- The Governance Framework [\[SEP #7\]](#) proposal has passed and reached almost 4x the quorum at 39M votes with 99.6% voting to accept the new governance framework. It entered into force on Monday, October 30, 2023. Welcome to Season 1!

- Explore the updated [SafeDAO Governance Hub](#) with more info about the new Governance Framework and everything you need to know about Sprints and Seasons. Check out what Sprint/Season we're in in the handy new [calendar](#)!
- Catch up on the recently hosted [Twitter Space](#) discussing the new Safe Governance framework.
- The new landing page for Safe Governance is now live! Check it out at <https://safe.global/governance>
- [SEP #5](#): The redemption period for unredeemed tokens from the user allocation ended on October 27 with an almost 60% redemption rate
- [Resource Allocation \(OBRA\) Framework](#): In Phase 0 (SEP #X); feedback from the community is actively sought. Multiple governance calls have been held to discuss this and feedback from the community is being incorporated into the SEP.
- [SAFE Token Utility](#): The call for input on safe token utility has concluded.
- **Stay Updated**: Set Snapshot notifications and download the Discourse mobile app for better community engagement!

#### 4. Community Support Channels

- For technical concerns, go to [Stack Exchange](#).
- For transactional or recovery issues, the [Safe Help Center](#) is recommended.
- For other Safe team-specific support, respective channels in the Safe Discord have been highlighted.
